

# **Network Discipline: Strengthening Governance Through Internal Strategies and Regulations**

# Vision: Integrated & Sustainable Credit Union Networks

# Integrated network governance

## Integration challenges

Criteria	Cycle of Evolution
1. Sharing resources (pooling)	Simple – solidarity put in action
2. Standardization of operations	Compromises is important
3. Contractual solidarity	Form something new
4. Governance and self-discipline	Maturity

# Integrated network governance

## Integration challenges

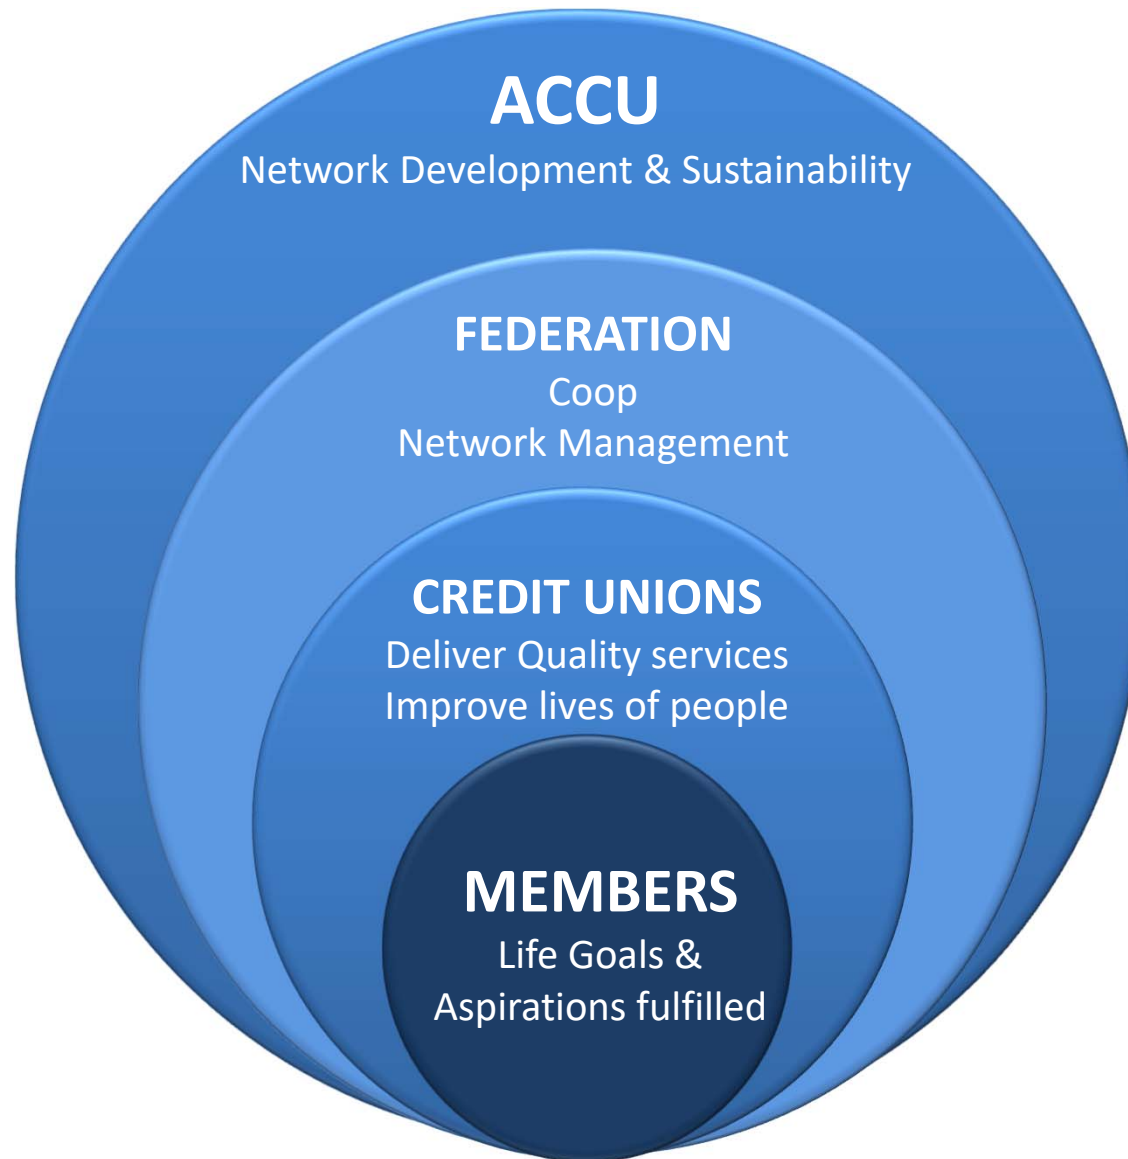

Criteria	Cycle of Evolution
1. Sharing resources (pooling)	Simple – solidarity put in action –
2. Standardization of operations	Compromises is important.
3. Contractual solidarity	Form something new
4. Governance and self-discipline	Maturity

# FEDERATION

Structure for democratic representation and centralization of authority

# Respecting the Principle of Subsidiarity

# Supervision by Federation: Self-Regulation

# Issues Debate Resolve ACT

**Thank you  
very much.**
